

Dougan Grant Final Report

Robert O. Dougan Fund for ESL Programs

A final report submitted electronically to the foundation is due approximately four weeks after completion of the grant funded project, or no later than 13 months from grant award date (refer to your grant award letter for report due date). Failure to submit a final report will result in rejection of subsequent grant applications. If you need additional time to complete the project, please consult with Pedro Paz, Director of Grantmaking, for approval and additional instructions.

The final report has three required components:

1. Final Report Cover Sheet

Complete the Final Report Cover Sheet form (PDF) included in this packet.

2. Narrative Report

Write a narrative report, describing and evaluating the grant activities and accounting for the use of grant funds. You may submit this section in a Microsoft Word or PDF document. It should address the following:

- Describe a typical program participant. Were there population shifts or student profile changes during the year?
- Describe any successes experienced by your program participants.
- How do you know your work was successful? What milestones were used to determine progress?
- Describe any differences between what you projected in your grant proposal (e.g., program outcomes, timeline) and the actual results.
- What adjustments to the program structure, if any, were made during the course of the year? Do you anticipate any adjustments in the near future?

3. Project Budget Form

Complete the Project Budget form (PDF) included in this packet. This grant accounting should include the following:

- grants and other income sources for the project (Income)
- project budget (Expenses – B. Projected) as originally proposed, or as agreed in an approved modification;
- expenditures of the Santa Barbara Foundation grant funds (C. Actual Expenditures)
